SIR,

With reference to the correspondence ending with your No.G.844/Med./26-25-65 dated 21-7-27 stating that the question of proceeding with or dropping the other charges against the accused Venkatapathi Ex-Clerk of the Civil Hospital at Robertsonpet may be taken up in consultation with the Inspector General of Police, I have the honour to forward herewith a copy of letter No.C.359/27 dated 12/13-4-28 from the Inspector General of Police in the matter and to state that he agrees with me in holding that no useful purpose would be served by prosecuting the accused for the remaining charges in view of the fact that the sentence the accused is undergoing now is sufficiently deterrent and a civil suit has been filed for the amount misappropriated.

The Public Prosecutor, Bangalore Division reports that the house of the accused has been estimated to be worth Rs 2000/-, and there is a mortgage of one thousand rupees with interest subsisting on the property (house) and that under the circumstances it is difficult to state at this stage what amount of the misappropriated sums, in respect of which the suit has been filed, can be recovered or not. As the defendant accused's son is made a party to the suit and he is contending that $\frac{1}{2}$ share is not liable for the suit amount, he further states that it is not likely that the full amount of the suit can be

(29)

be recovered.

In the circumstances I am of opinion that the other - charges pending against the accused Venkatapathi may be withdrawn. The favour of early orders in the matter is - requested.

The Assistant Surgeon doing duty at the Mysore Iron Works may be directed to visit, about three or four times a week, the dispensary in the old Bhadravati Town and render medical aid to the people.

It is not necessary to transfer the disciplinary control over this officer to the District Medical Officer at Shimoga, who may however continue to have the power of technical supervision over the work done by the Assistant Surgeon.

I understand a large number of workmen employed in the Iron Works are living in the old Bhadravati Town and they would require more medical aid than the Sub-Assistant Surgeon can render.

Sir,

With reference to your letter No.G.9566, Med. 127-25-1 dated 25th May 1926, regarding the extension of the in-patients' Ward attached to the Local Fund Dispensary at Bhadravathi, and placing the institution under the control of the Assistant Surgeon, Iron Works, I have the honour to state as follows:

The present building is situated on the bank of the Tunga river, which is getting shallower every year due to silting, and during the last floods the water had reached as far as the kitchen. It is therefore desirable to remove the institution to a spot higher up, on the Chennagiri road on a site most convenient to the townspeople, a new building according to the type design with in-patients' wards being constructed. Any expenditure on the extension of the existing wards is therefore not desirable.

As regards placing the dispensary under the control of the Assistant Surgeon of the Iron Works, I beg to state that this Assistant Surgeon is a lent officer directly subordinate to the Iron Works authorities. His pay is entirely met by the Iron Works and is not provided in the State Medical Budget.

More over, the Bhadravathi Dispensary is a Local Fund Institution for the maintenance of which, the District Board of Shimoga and the Bhadravathi Municipality contribute the charges on account of the local allowance of the Sub Assistant

Assistant Surgeon and the pay of the Compounder, Midwife, Dispensary Attenant and Water woman and also the costof country medicines, bedding and clothing, diet and other contingencies the Government bearing the cost of Europe Medicines and pay of the Sub Assistant Surgeon. Any question affecting the dispensary has therefore to be agreed to by these local bodies.

In the above circumstances, it does not seem feasible to place the Local Fund Dispensary at Bhadravathi under the control of the said Assistant Surgeon working under the orders of the Managing Board, Iron Works, unless the AssistantSurgeon and the Iron Works Hospital are brought under the control of the Medical Department in the same way as the Railway medical staff (Asst Surgeon & Sub Asst Surgeon) and dispensaries are, the cost continuing to be borne by the Iron Works as hitherto. A copy of the rules regarding the administration of the Railway Dispensaries at Mysore and Tarikere agreed to by the Agent Mysore Railways is submitted for information.

Official Memorandum.

In pursuance of Government Order No.R.S.1524-36/Ry.F 47-E.24-25 dated 11th February 1925, placing themedical staff in attendance on Railway employees under the administrative supervision and control of the Senior Surgeon, the following instructions are issued with the concurrence of the Agent, Mysore.

1. The Railway Dispensaries at Mysore and Tarikere will be under the disciplinary control of the District Medical Officers at Mysore and Kadur, respectively, who will include these institutions in the list of dispensaries subject to their annual inspection.

2. The Assistant Surgeon and Sub Assistant Surgeon in charge of these dispensaries will maintain the dispensary registers and statistics in the same way as they maintained in ordinary local fund dispensaries.

3. All applications for leave shall be submitted through the District Medical Officer and the Agent to the Senior Surgeon who will have to sanction the same and arrange for sending substitutes.

4. Applications regarding promotion or the grant of any allowance or extra emoluments, should be made through the District Medical Officer and be supported by the Agent, Mysore Railways as the cost will be borne by the Railway Department.

5. Similarly, all indents for medicines, appliances, stationery, etc., should be submitted to the respective District Medical Officers for scrutiny and then to the Agent, for countersignat re before they are passed on to the Superintendent Medical Stores, for compliance.

6. Abstract return of the sick treated and of labour cases attended (if a midwife is attached to the dispensary) should be submitted by the 10th of every month and annual statistics in form D (1) and D (II) prescribed for Railway Dispensaries should be submitted for every calendar year by the 1st February following the year to which the statistics relate.

7. The Railway Medical staff will comply with all requisitions for medical aid from Railway authorities and staff of all departments in the Railway except in the case of staff on the line the requisition should be made by a person not below the rank of Station Master. They may occasionally indent on the advice or help of the District Medical Officer in difficult or complicated cases which should, as a rule, be arranged to be sent for admission into the nearst District Hospital.

8. The instructions of the District Medical Officer should be sought for in all cases of a technical or professional nature.

Dear Sir,

Referring to your letter No.G.10376/Med.127-25-4 dated 17th June 1926 in regard to the control of the Local Fund Dispensary at Bhadravati by the Assistant Surgeon attached to the Mysore Iron Works, I beg to state that the subject was placed before the Board at their Meeting held on the 29th July 1926.

The Board are of opinion that the Assistant Surgeon cannot be expected to spare time for the supervision of the Local Fund Dispensary and that the present arrangement which has worked satisfactorily may continue.

I may add that the Assistant Surgeon is even now under the control of the District Medical Officer, Shimoga, in regard to technical matters,

I enclose a copy of the resolution for your information.

The Secretary to the Government of
H.H. the Maharaja of Mysore, Medical and
Agricultural Departments, Bangalore.

Sir,

With reference to your letter No. G. 2305-Med. 127-25-6, dated 30th August 1926, calling for proposals for the most urgent requirements of the Bhadravathi Local Fund Dispensary, by way of more accommodation for in-patients, I have the honour to state that the present site of the dispensary is quite unsuited for the purpose inasmuch as, during floods, the water rises and reaches the dispensary building and it is absolutely necessary to shift the institution to a higher, safer and healthier spot, more centrally situated and therefore any expenditure on improvements to the existing structure will be a waste, as already pointed out in my letter No. G.C. 358-1, dated 1st June 1926.

In these circumstances, I solicit instructions whether I am to call for estimates for extending the existing Ward accommodation in the Dispensary or to call for plans and estimates for a new Local Fund Dispensary with male and female in-patients' wards of the standard type, with outhouses and also quarters for the staff, viz., the Sub Assistant Surgeon, Compounder and Midwife, on a site abutting the Channagiri Road, which I have selected for the purpose.

Early orders are solicited to enable me to address the Chief Engineer for plans and the local bodies for the provision of the quotas of the cost.

The Secretary to Government
of Mysore, General Department,
Bangalore.

Dear Sir,

I am directed to invite reference to my letter No.B.60/26 dated the 9th August 1926 in regard to the supervision of the Local Fund Dispensary at Bhadravati by the Assistant Surgeon attached to the Iron Works. This subject was discussed during the visit of the Dewan to-day and it was agreed that the Assistant Surgeon might visit the Local Fund Dispensary two or three days in the week without prejudice to his duties at the Works Dispensary. It was understood that this arrangement would not affect the control of the Management over the services of the Asst. Surgeon. I am therefore to request that orders of Government might be kindly issued accordingly.

Yours faithfully,

Manager

Read:--

Correspondence ending with letter No. B.135/26 dated the 2nd October 1926 from the Secretary, to the Board of Management Mysore Iron Works, Bhadravati, reporting that the Board of Directors are agreeable to the Assistant Surgeon in charge of the Iron Works Dispensary visiting the Local Fund Dispensary 2 or 3 days in the week without prejudice to his own duties.

Order No. G 4056-9

Dated Bangalore, the 18-10-1926.

Government are pleased to direct that the Assistant Surgeon doing duty at the Mysore Iron Works Hospital ~~to~~ may visit, about 3 or 4 times a week the dispensary in the old Bhadravati town and render medical aid to the people. This arrangement will not involve the transfer of the disciplinary control over this officer to the District Medical Officer at Shimoga, but the latter officer will ~~however~~ continue to have the power of technical supervision over the work done by the Assistant Surgeon.
